WESTERN BENGAL.

LIST A.

List of English and Vernacular Text-books approved for all classes of Government and Recognised Schools in the Burdwan and Presidency Divisions of Bengal for the year 1921.

English Literature and Grammar.

For the books recommended by the University of Calcutta as indicating the standard of the Matriculation Examination in English, Headmasters are referred to the University Calendar. It should be noted that these books are intended only to indicate the standard expected of pupils on the completion of the high school course. These books are not suitable for such junior classes as III and IV, and, if used, they should be confined to the last year of study.

"England and India" (Longmans, Green & Co.) deals with the British Empire in the East, and explains the work done by the British Government in and for India. It is an advanced supplementary reader for senior pupils and teachers. For knowledge of the war a book like Nelson Fraser's "The World at War" (Oxford University Press) is of value.

At every stage the power of expression in simple English must be cultivated, along with correct pronunciation and articulation. Teachers will be assisted in this by the "Teachers' Book" in the Reformed series of Readers for India published by the Oxford University Press at As. 12. GEOGRAPHY.

For use in the upper classes of High Schools in Bengal.

The teaching of this subject, by whatever method is adopted, must in every case be supplemented by the use of maps, charts and pictures. Teachers should consult the "Teachers' List" and apply to leading publishers for their lists, as these are now comprehensive and specially adapted to the needs of Indian schools. Such pictures as "Scenes from other lands" (Macmillan) are suitable for school work, are interesting to children and bring brightness and colour to the class room. Head Masters are requested to see that all the school maps and pictures are on view every day and not stored in office rooms.
